

*Make my life a little light
Within the world to glow
A little flame that burneth bright
Wherever I may go*

Saint Martin, Saint Martin
Saint Martin rode through wind and snow
On his strong horse, his heart aglow
He rode so boldly through the storm
His great cloak kept him well and warm
By the roadside, by the roadside
By the roadside a poor man arose
Out of the snow in tattered clothes
He said please help me with my plight
Or I shall die of cold tonight
Saint Martin, Saint Martin

Saint Martin stopped his horse and drew
his sword and cut his cloak in two
One half to the beggar man he gave
And by this deed a life did save
Saint Martin, Saint Martin

Saint Martin rode through wind and snow
On his strong horse, his heart aglow
He rode so boldly through the storm
His goodness kept him well and warm

Glimmer lantern glimmer
Little stars a shimmer
Over meadow moor and dale
Flutter flutter elfin veil
Pee wit pee wit
Rick a tick a tick
Rou cou
Rou cou

Glimmer lantern glimmer
Little stars a shimmer
Over rock and stock and stone
Wander tripping little gnome
Pee wit pee wit
Rick a tick a tick
Rou cou
Rou cou

I go with my bright little lantern
My lantern is going with me
In heaven the stars are shining
On earth shines my lantern for me
The light shines bright all through the night
La bimmel La bammel La boom (German words)
'Neath heaven's dome til we go home
La bimmel La bammel La boom
La bimmel La bammel La boom

High and blue the sky
Trees are very tall
Wild geese flying seem so small

See on silent wings in flocks they go
Never parting from the single row

We go through the land
Like the wild geese band
Brothers in the flight are we

Clear and dark the night
Stars are very bright
Lanterns shining seem so small

See in single file we walk along
Singing joyfully our lantern song

We go through the land
Like the wild geese band
Sisters of one light are we

The background is a dark blue night sky filled with small white stars. A flock of black birds is flying across the sky. In the foreground, a silhouette of a child in a dress holds a large yellow star on a stick. To the right, a yellow lantern with a black frame and a handle hangs from a stick. The lantern's front panel features several autumn leaves in shades of yellow and orange. In the distance, there are silhouettes of mountains and a line of trees at the bottom.
